MEMORANDUM FOR THE FILES

STAT

RE: [redacted] *caused
miss*

STAT

[redacted] father called me today and said that his son had graduated from Williams and thought he might have a chance of getting into the Navy. He did not like to do so, however, before he heard from us as to whether there might be a chance here, though he thought the Navy would be something he would prefer.

I said that it would be quite all right for him to leave his application with us, and if we did find a place we would notify him, though there would be no commitment on his part to accept it.

I also explained that we were reluctant to consider any men eligible for military duty unless their qualifications were such that we could not supply them except through the Armed Forces.

STAT

[redacted] thanked us for the information.
